

Mindful Moments with Visuals

License Terms, Medical Disclaimer & Legal Notice

1. Professional Usage License

Upon purchase or licensed access, users are granted a non-exclusive, non-transferable license to use the visual materials for professional, educational, and informational purposes. This license does not transfer ownership or copyright.

Permitted Uses include:

- Use in therapy or coaching sessions as visual communication aids
- Use in psychoeducation, workshops, presentations, and training material
- Use in client handouts, worksheets, and internal professional resources
- Use on websites or social media owned by the license holder

Prohibited Uses include resale, redistribution, sublicensing, claiming authorship, or use on stock platforms.

2. Medical & Therapeutic Disclaimer

The visuals are not medical devices, diagnostic tools, or treatment instruments. They do not constitute medical, psychological, or therapeutic advice. Use of the visuals does not establish a clinician–client or therapist–patient relationship.

3. AI-Assisted Creation Notice

The visual materials may be created using AI-assisted tools and are curated, selected, and licensed by Mindful Moments with Visuals. All rights not explicitly granted remain reserved.

4. Limitation of Liability

The materials are provided “as is” without warranties of any kind. Mindful Moments with Visuals shall not be liable for outcomes, interpretations, or decisions made using these visuals.

5. User Responsibility

All use remains under the independent professional judgment and responsibility of the user. Users are responsible for ensuring compliance with applicable professional and legal standards.
